

3G Pitch Perimeter Advertising

Warden Park Academy have a limited number of advertising panels around the perimeter and spectator area of our Community 3G Pitch.

An excellent opportunity to advertise your business at this popular venue, used seven days a week by over 20 local clubs, teams, families and spectators - a local audience of approximately 2,000.

Two panel options are available:

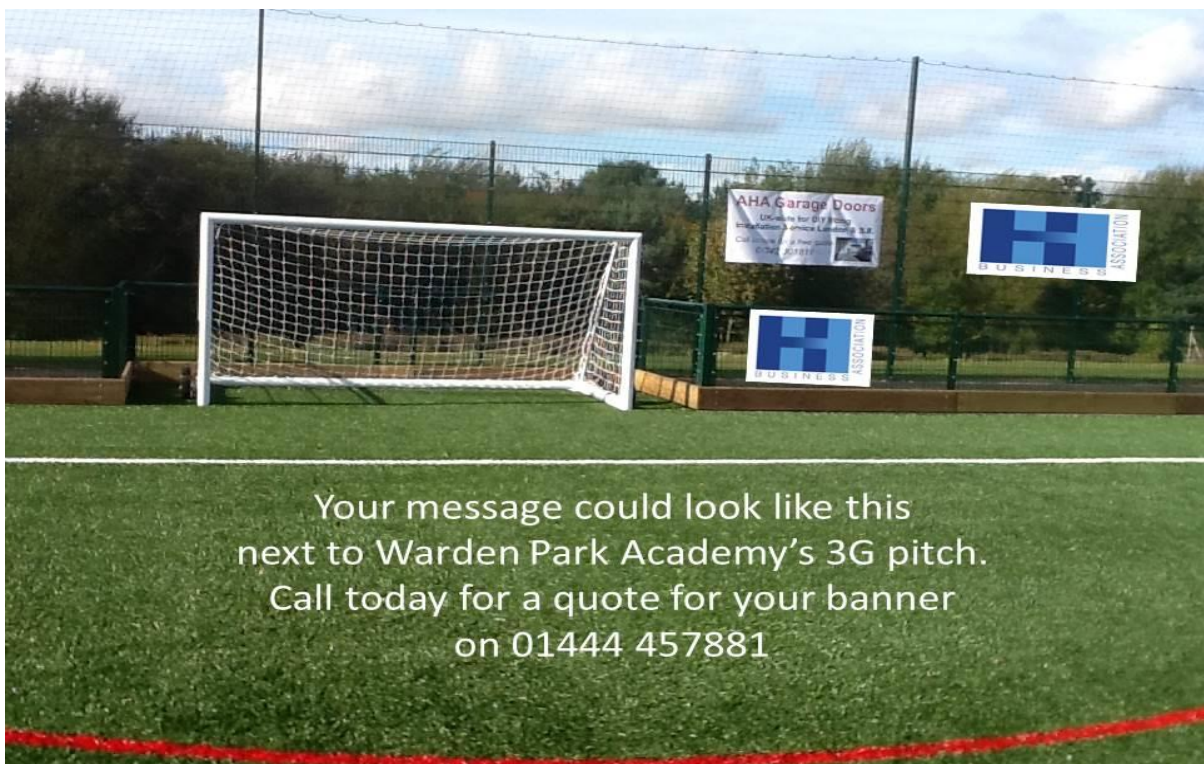

1. A 2x1 metre banner for the perimeter fence
 2. A smaller composite panel for the spectator area
- New Year, new marketing presence: Why not get your banner or panel in place for January 2019, during our peak winter usage period?
 - Position can be chosen as available on a first come, first served basis.
 - Simply supply us with your artwork and text and we do the rest!

Year One cost includes panel production from your artwork.

Contact us for help with design (any additional costs will be quoted separately).

We tailor an annual cost package to your budget, with multi-year discounts available.

The longer you advertise with us, the less you pay!

Consistent Sporting and Academic Winners

Associate Your Business with
Our Sporting Success

To continue this national, regional and local success as a leading state secondary school for sports beyond our 60th year into the next 60, we are offering marketing opportunities at our Floodlit 3G Artificial Grass Pitch.

With nearly 1,200 families, plus local businesses and a wide throughput of regular user clubs and organisations as our key stakeholders, our sporting success will get your company name in front of a wide audience.

Your sponsorship will help us maintain this World Class sports facility for students of all abilities and the community via our strong local club links.

With negotiable opportunities for a range of budgets, your opportunity to help make this exciting new project a reality through a business sponsorship package starts with the contact details below.

Simply call 01444 457881 or email admin@wardenpark.co.uk today for more information and to register your interest in this unique opportunity.

We look forward to hearing from you soon to discuss suitable options and the kind of audience we can deliver for your brand.
